

Man Kwan Pak Kau College (2025-2027)

Proposal for One-off Grant for Promotion of Self-directed Language Learning (English Language)

Objective	Implementation	Proposed period	Estimated budget	Evaluation method	TIC
To foster self-directed reading habits among students through a variety of genres and topics.	English Reading Materials / Supplementary Materials <ul style="list-style-type: none"> ● Different reading and learning materials will be purchased and placed in the A.I. Eng Lab and library for all students. ● Supplementary materials will be purchased for teachers to develop self-directed language learning tasks or exercises to help students improve their reading, particularly on various topics. 	2025-2027	\$10,000	Questionnaire and Teacher's Observation	S.Z. Chen
To empower secondary students to take charge of their speaking skills development targeted practice.	AI Speaking Practice (ELSA Speaking / Speak AI) <ul style="list-style-type: none"> ● Students can use an AI speaking app to practice pronunciation and speaking skills through pronunciation drills and scenario-based speaking practice. At the same time, this personalized learning experience can accelerate students' self-regulated learning in the English language and foster their confidence in speaking. 	2025-2026	\$80,000	Questionnaire and Teacher's Observation	S.Z. Chen
To support self-directed learning by providing automated feedback and data analysis to students for continuous improvement.	AI Writing Practice (Una++++++) <ul style="list-style-type: none"> ● Students can use an AI writing app to enhance their writing skills and build a habit of self-learning and self-correction. As students analyze their own mistakes, their awareness will be raised, allowing them to improve their writing through self-directed learning. 	2025-2026	\$50,000	Questionnaire and Teacher's Observation	S.Z. Chen
To support self-directed learning by providing language skills workshops for EMI students in senior forms to prepare for IELTS exam.	IELTS Preparation <ul style="list-style-type: none"> ● A series of IELTS preparation workshops focusing on the four skills, particularly writing and speaking, will be provided for EMI students and seniors preparing for the IELTS exam. IELTS preparation materials such as practice papers will be purchased for students as they get ready for the exam. 	2025-2027	\$10,000	Questionnaire and Teacher's Observation	S.Z. Chen
To empower students with higher language proficiency to develop leadership skills and to help create a language-rich environment at school.	Overseas Study Tour <ul style="list-style-type: none"> ● English ambassadors will organize a trip to an overseas country. They will participate in English courses and explore local cultures. This experience will help them understand and appreciate different cultures while increasing their awareness of how English is spoken and used differently around the world. The budget will support students who wish to attend but are facing financial difficulties. 	2025-2026	50,000	Questionnaire and Reflection of participants	S.Z. Chen

Total: \$200,000
